

So, you want to live in the Monterey Peninsula area - only one of the most beautiful and desirable places on the planet. And you want that perfect home, that just-right fit. You especially want an easy, comfortable, and professional experience in fulfilling this desire. One right thing to do – contact Shankle Real Estate.

For seven decades, Shankle Real Estate, Inc. has been servicing the Monterey Peninsula, including Salinas and North Monterey County, with access to brokerage firms throughout the United States and the world.

And, according to Owner/Broker Stuart Shankle, it truly has been a family affair. The company was founded in 1956 by Stuart’s grandfather, Rusty, and passed on to his son, Stuart’s father, Greg, in 1963. Stuart had been in the mortgage banking business when he came on board in 2000 as a loan consultant and subsequently took over the reins upon his father’s retirement in 2003.

Shankle Real Estate operates with a staff of 20 agents and brokers selected for their high degree of professionalism, integrity, knowledge, experience, and the special quality of “caring.”

Part of the full-service process that Shankle Real Estate provides comes from their sterling reputation among title companies, appraisers, lenders, inspectors, tradesmen, and other real estate firms, ensuring a seamless and stress-free experience.

Stuart says he has no current plans to expand into alternate locations. “Our motto is ‘personalized not franchised’. We’re about creating lasting relationships – that’s the goal. Not to just sell a customer one home, but to be there for them for all their future real estate needs. We want to create customers for life.”

Stuart admits that Shankle Real Estate, Inc. has a distinct advantage regarding their geographic location. “We’re pretty lucky and blessed and even spoiled with the climate and beauty of the area. I could go on and on about the culture of this office – the longevity and quality of the agents.” But he adds that it’s the pride they take in customer relationships and the results they consistently achieve which are the hallmarks that define Shankle Real Estate.
